

Welcome to the Cherry Room!

Dear Children, Parents, and Families,

Hello! My name is Ms. Sue, and I am excited to be your child's teacher this school year! I have been in education since 1999 and graduated from Aquinas College with a degree in Learning Disabilities and Reading. This will be my 11th year as a preschool and kindergarten teacher at Muskegon Montessori. My husband and I have three adult children and seven grandchildren, number 8 due this fall. I enjoy watching my Bravo shows, reading, having coffee with my girls, and doing yoga. Ms. Deb is the teacher's aide in our classroom, has been an aide with Muskegon Montessori for six years, and has over 30 years of experience in education. Having Ms Deb in the classroom is awesome, and with her comes the bonus of her dog Mr. Bruno! He is a great therapy dog who is a big sweetie.

We will have an exciting year learning and building a community of Montessori learners. We will also learn about letter sounds, reading, numbers, shapes, our world, and the animals, plants, and people that live in it.

I hope you are as excited as we are about school starting.

If you have any questions or concerns, feel free to email me at suetermolen@choiceschools.com or call the school at 766-7500.

See you all soon!

Ms. Sue and Ms. Deb
