

Welcome to the Pine Room!

Hello! My name is Ms. Michelle, and I am very excited to welcome you to the Pine Room this year! I look forward to working with you to fill your minds with new knowledge and expand your horizons. We will work hard to grow our brains and strive to get in touch with the world around us.

I have been an employee of the MMAEC family for almost five years now. I have been part of the family as a parent for much longer than that. I love the Montessori method of learning. I am from Ravenna. My husband's name is Nathan. I have three boys. Noah is 15 and a freshman at Fruitport this year. Nathan John is 17, and he will be a senior. My oldest son, Michael, is 25 and lives on his own. I love animals. I have a dog named Grasey and a cat named Patches. I also have six chickens.

You will notice that the classroom has some animals too. We have three resident guinea pigs named Willow, Nibbles, and Reeses. They have been with us for 3 years now. They are excited to welcome you, also. Now that you know a little about me, I can't wait to get to know all of you. Please be sure to come to Meet the Teacher night. Parents, I will have some questionnaires for you to fill out to help me get to know your children better before school starts. Thanks!

Ms. Michelle
